The Institute

AKGIM, Ghaziabad, is an initiative of Indian Institute of Management and Engineering Society which runs the prestigious Ajay Kumar Garg Engineering College, recipient of Academic Excellence Award for two years in succession as the No. 1. Engineering College in U.P. under U.P.T.U. It is one of the promising B-Schools in the National Capital Region, Delhi, India. AKGIM, Ghaziabad provides a good learning environment to its students supported by excellent faculty and a vast corporate network. With a long term vision and fully aware of the changing paradigms of business, the institute contributes the best of the opportunities to its students.

Post-Graduate Programme

AKGIM offers a Two Year Full-Time PGDM Programme approved by All India Council for Technical Education (AICTE), Ministry of HRD, Govt. of India, New Delhi. The programme is autonomous and is aimed at transforming young graduates into successful and effective managers. The prime focus of the programme is to prepare professionals who would take up leadership positions in organizations across industry, government sector and NGOs.

Specialization

Students are required to opt for an area of specialization (one major and one minor) from one of the following:

- ▶ Marketing
- ▶ Finance
- ▶ Human Resource Management
- ▶ IT*, IB* (*only Minor)

Faculty

The driving force behind AKGIM's high levels of academic excellence and research is the dedicated team of its faculty members – core and visiting, drawn from academia as well as industry, known for their academic credentials and research contributions. On top of it, the institute regularly invites experts from the industry.

AKGIM Academies : Building Industry Relevance

In order to give thrust to applied research and industry relevance for the students and faculty, AKGIM has started few Academies in areas of Marketing, Finance, Human Resource Management and International Business.

The Metamorphosis – Personality Development

At AKGIM, we singularly believe that we have to metamorphose our students into world – class professionals. We inculcate professional attitude, behavior and skills which must take place within the course span of two years.

Entrepreneurship Education & Practice (EEP) & Go-Green

- ▶ AKGIM Provides a perfect platform for the acquisition and enhancement of entrepreneurial skills with NIESBUD, established by Ministry of Small Scale Industries, Govt. of India and NSIC-an ISO 9001 certified company.
- ▶ AKGIM has plans to run short term programmes on Energy Conservation and Audit with Petroleum Conservation Research Association, a Govt. of India Undertaking.

External Linkage / Industry Interface

Given the strong need for comprehensive academic and industry interface programmes, AKGIM constantly strives to establish strategic partnerships with leading corporate and industrial houses across India. These partnerships enable students to gain real life experience of corporate world and relate to academic knowledge to complex corporate world settings.

Admission Process

- ▶ Minimum three years Bachelor's or equivalent degree in any discipline recognized by AIU / AICTE.
- ▶ Admission to the PGDM programme is based on the candidates' performance in Written test, Group Discussion, Personal Interview conducted at an all India level.
- ▶ Candidates with CAT/MAT/XAT/JMET/GMAT scores will be given preference.
- ▶ Candidates can also take AKGIM Test in case they have not taken any other tests.
- ▶ Candidates who are appearing for the final year degree examination can also apply.
